PROJECT FACTSHEET

Completed | May 2023 - June 2026

Integrated Emergency Response to the Displaced Population

USG OHA / International Rescue Committee

KEY FACTS

Donor / Lead partner	USG OHA / International Rescue Committee
Status	Completed (May 2023 - June 2026)
Location	Goronyo, Rabah, Isa and Sabon Birni LGAs, Sokoto State: 7 PHCs and 3 mobile/IDP clinics
States	Sokoto
Thematic areas	Health & WASH

PROJECT SUMMARY

In an IRC-led consortium with ALIMA, COOPI and GISCOR, funded by the US Government's Office of Humanitarian Assistance (formerly BHA), LHI was the health and nutrition lead for Sokoto State, serving displaced people and host communities through supported PHCs, mobile clinics and community nutrition programmes.

KEY INTERVENTIONS & DELIVERABLES

- Primary healthcare: outpatient, maternal, newborn, child, reproductive and mental health (MHPSS) services.
- Emergency, secondary and tertiary referrals with ambulance and financial support.
- SAM treatment at Lajinge and Makuwana OTPs, community screening and the Family MUAC approach.
- Tom Brown programme for moderate acute malnutrition, Mother-to-Mother and Men-to-Men support groups.
- Facility renovation, health worker training and mentoring, and a pharmaceutical warehouse upgrade with IRC.

HEADLINE IMPACT

109,225 outpatient consultations, 76,257 children screened, 9,614 children treated for SAM and 5,635 skilled deliveries (May 2023 - June 2026).
