PROJECT SUMMARY

Promoted peaceful coexistence through peacebuilding initiatives while facilitating access to basic health for pregnant women and children under 5 and building community support mechanisms for comprehensive healthcare.

KEY INTERVENTIONS & DELIVERABLES

- Community peacebuilding initiatives.
- Access to basic health for pregnant women and children under 5.
- Adolescent and Youth-Friendly Centre with counselling, peer educators and a male community health volunteer council (Dapchi).
- Rebuilt a section of Dumsai primary health centre; staff now run a garden to fund medicines.

HEADLINE IMPACT

Peacebuilding combined with maternal and child health access.
