PROJECT SUMMARY

As a consortium partner, LHI supports the rebuilding of individual, household and community economic growth through livestock and agricultural support and value-chain additions, aligned with the Yobe State Government Economic Development Plan on Durable Solutions.

KEY INTERVENTIONS & DELIVERABLES

- Livestock and agricultural support with value-chain additions.
- Priority support to women-headed households.
- Alignment with the state's Durable Solutions economic plan.

HEADLINE IMPACT

Over 2,000 households served, especially women-headed households.
