PROJECT FACTSHEET

Active | Ongoing

Multi-Sector Life-Saving Assistance and Targeted Nutrition Response

UNOCHA (through the International Rescue Committee)

KEY FACTS

Donor / Lead partner	UNOCHA (through the International Rescue Committee)
Status	Active (Ongoing)
Location	Northeast and Northwest Nigeria
States	
Thematic areas	Health & WASH, Protection & GBV

PROJECT SUMMARY

Multi-sector life-saving humanitarian assistance in Northeast Nigeria alongside targeted nutrition response in Northwest Nigeria. Under a pre-award arrangement, IRC authorised LHI to begin implementing the approved technical proposal and budget.

KEY INTERVENTIONS & DELIVERABLES

- Life-saving multi-sector assistance for crisis-affected households in the Northeast.
- Targeted nutrition screening, treatment and referral in the Northwest.

HEADLINE IMPACT

Integrated humanitarian and nutrition response across two regions.
