Donor / Lead partner	UNOCHA Nigeria Humanitarian Fund (CBPF) / Save the Children International
Status	Active (Ongoing)
Location	Crisis-affected communities in Borno and Yobe States
States	Borno, Yobe
Thematic areas	Health & WASH

PROJECT SUMMARY

Integrated, life-saving health and nutrition interventions for women and children suffering from or at risk of acute malnutrition, reducing morbidity and mortality through timely access to essential health services.

KEY INTERVENTIONS & DELIVERABLES

- Nutrition screening, treatment and referral for acute malnutrition.
- Essential health services for women and children in humanitarian-affected communities.
- Implemented with Save the Children International under the Country-Based Pooled Fund.

HEADLINE IMPACT

Life-saving care for women and children with acute malnutrition in Borno and Yobe.
